

CLASSROOM VALUES

What we want to create in our class environment:

- Respect for the positions of others and ourselves
 - Listening
- Inclusion
 - Empathy
 - Sensitivity
- Openness to personal change/growth
- Willingness to bring our whole selves to class
- Internal and external openness, tolerance, and flexibility
- Rigour
- Trying
 - Speaking up for the discussion
 - Having a voice
- Accountability
- Shared opportunity and contribution
 - Collaboration
 - Sharing of expertise and experience
 - Use of disciplinary knowledge
 - Inclusion of multiple kinds of knowledge
- Ability to redesign
- Reflection
